

22-26 MAY 2023

THE FIRST LEARNING , TEACHING , TRAINING ACTIVITY OF THE “ GREEN YOUR HOPE FOR GREEN TOMORROWS ” ERASMUS+ PROJECT HAPPENED IN MALAGA – SPAIN

The LTTA was organised by Spanish organisation AMEFE and it was devoted to Green Transformation. On the first day of the LTTA , we visited the host’s organization and learnt about their Spain educational and social facilities . After ,all the partner organisations made their own presentations to introduce their own organisations and related activities.

On the second day , we did a community workshop focusing on environmental problems .

During the last day , we did orientation in nature Gyncana in which participants were able to work on their orientation and adaptation to the natural environment

The main objective of these activities is to raise awareness about climate change and to get in contact with associations working and carrying out activities against climate change.

In the afternoons we had cultural visits to the marvels of Malaga.
